

Seaside . . .  
. . . Ranchos

By Mrs. Evelyn Hyder

Harry and Lois Greenwood and James and Chris Hall attended the Kiwanis installation and dinner dance held at the Hollywood Riviera Beach Club Saturday evening.

Fred and Helen Carlson had a number of guests recently. Helen's parents, Mr. and Mrs. William E. Giffilen from Visalia and her brother and sister-in-law, Mr. and Mrs. W. L. Giffilen and children, Linda and Billy from Fresno.

Helen's cousins, B. W. Giffilen and Raymond Kent from Inglewood visited next day.

The beginning of what we hope will be an answer to "Where Will We Meet?" took place last Thursday evening when our PTA held the first meeting of the new year in the cafeteria of the school.

Dr. Henrich Hull, superintendent of schools, spoke a word of greeting and announced that there would be a formal dedication of the school on the afternoon of February 5.

Other guests were Mr. J. W. Rehwald and Mrs. Evelyn Carr. Speaker of the evening was Professor David D. Eitzen of the University of Southern California whose subject was, "Check List for Parents."

On Friday evening the school cafeteria was again in use when the newly formed Boy Scout troops met for the first time with the boys, their parents, and committee members present.

The Cubs and Scouts were officially registered at this meeting and now are functioning as a unit.

A motion picture in color was shown, the subject of which was the formative years in a boy's life and its relationship to Scouting.

Mr. Sais and Mr. Smallwood, council representatives gave a talk on the history of Scouting.

We hear that Marie Larkins' mother, Mrs. Estelle Jacobs of Torrance is better and was sent home after a two month's stay in the hospital. Our best wishes and hopes for better health.

We enjoyed a visit in Barstow over the week-end where we were entertained by friends, Mr. and Mrs. S. G. Vihel, and Virgil Cockrell. We enjoyed our stay there with the exception of the freezing weather at night.

Paul and Frankel Barth had as week-end guests, Carrol and Lois Reid of Salinas.

The annual dinner meeting was held at the Neptune Club in Hermosa Beach, the attendance was stimulating and the interest shown was certainly encouraging.

Winners in our election were announced, they are: president, Paul Murray; vice president, George Honzig; recording secretary, Connie Horne; corresponding secretary, Warren Boggs; treasurer, Ed Spies, sergeant-at-arms, Jack Pomeroy.

The block captains who will compose the executive board are as follows, Mrs. Paul Murray, Arthur Arndt, Sam Drumright, Mrs. Don Hall, Don Kicks, Mrs. Paul Barth, Mrs. Margaret Flahive, Joe Stanley, Al Rosin, and C. A. Mewborn.

As each retiring officer turned over his chair to the incoming officer he gave a short talk.

Copies of the corporation articles and by-laws were given to all attending. Unique membership certificates are to be given to all members. The new officers brought the meeting to a close.

We would all like, I know, to express our appreciation to our past president and retiring officers of the association for the grand job they have done this past year. They have a lot to their credit, especially with something as tangible as the street lights to show for their work. In speaking of officers, we of course mean to include the block captains, as their personal contacts mean a lot to ward the success of any undertaking.

We hope our new officers will have as much enthusiasm and will be as successful. Good luck!

The annual luncheon meeting of the Harbor Section of the Girl Scouts will be held at Torrance Civic Auditorium, Wednesday January 18, at 12 noon.

It is hoped that our neighborhood will have a good showing as it is open to all interested adults. You may call me for particulars.

Our "Park" was the scene of a tree burning and winner bake by the Senior Girl Scout troop last Saturday evening.
